

TechNova Solutions

Work From Home Policy

Policy Version: v1.0 **Effective Date:** March 1, 2026

TEST DATA — Fictional policy document created only for Policy RAG application testing.

1. Eligibility

Employees may work remotely up to 3 days per week when their role and team operating model permit remote work.

2. Approval

Remote work must be agreed with the employee's manager. Team coverage and business requirements take priority.

3. Working Hours

Employees working remotely must remain available during their team's agreed core hours, from 10:00 AM to 4:00 PM local time.

4. Equipment

Company-issued laptops and approved security tools must be used for company work. Sensitive company data must not be stored on personal devices.

5. Exceptions

Temporary remote work beyond the normal weekly limit may be approved for exceptional business or personal circumstances.
