

DataBridge Systems

Remote Work Policy

Policy Version: v2.0 Effective Date: May 1, 2026

TEST DATA — Fictional policy document created only for Policy RAG application testing.

1. Standard Arrangement

Eligible employees may work remotely up to 2 days per week.

2. Core Hours

Remote employees must be available from 9:30 AM to 4:30 PM local time.

3. Security

Company devices and approved VPN access are required when accessing internal systems remotely.

4. Home Office

Employees are responsible for maintaining a safe and suitable workspace.

5. Exceptions

A manager may approve a temporary alternative arrangement when business continuity requires it.
