

DataBridge Systems

Code of Conduct

Policy Version: v1.0 **Effective Date:** January 1, 2026

TEST DATA — Fictional policy document created only for Policy RAG application testing.

1. Respectful Workplace

Employees are expected to treat colleagues, customers, and partners with professionalism and respect.

2. Conflicts of Interest

Employees must disclose actual or potential conflicts of interest through the designated company process.

3. Gifts

Employees must not accept gifts that could improperly influence a business decision. Nominal business courtesies may be permitted under applicable company rules.

4. Confidentiality

Employees must protect confidential company and customer information.

5. Reporting Concerns

Employees may raise concerns through their manager, Human Resources, Compliance, or another approved reporting channel.
