

Gujarat Institute of Technology

Academic Leave Policy

Policy Version: v1.0 Effective Date: June 15, 2026

TEST DATA — Fictional policy document created only for Policy RAG application testing.

1. Purpose

Academic leave may be approved for institute-recognized academic activities such as competitions, conferences, field work, or approved projects.

2. Request

Students should submit an academic leave request before the activity whenever possible.

3. Evidence

Supporting documents such as event invitations or faculty recommendations may be required.

4. Attendance

Approved academic leave is considered according to the attendance rules applicable to the student's program.

5. Approval

The designated academic authority has final approval responsibility.
